

Dear Member,

### **CLUB CHAMPS! Sunday 20<sup>th</sup> February 11am**

Last years Club Champs were described by stalwarts as the best in years! This year is looking even better. Singles on the 20<sup>th</sup>, Doubles on the 27<sup>th</sup>, Mixed Doubles on the 6<sup>th</sup> March, and a catchup on the 13<sup>th</sup> March, with the Grand Finale on the 20<sup>th</sup>! There is a plate section, so those who throw their first round have a chance of winning something ☺ ("pot hunters"). As always "the more the merrier!" To enter, please email or call Sally [mike.earp@xtra.co.nz](mailto:mike.earp@xtra.co.nz) 8463110, or Peter [pmurray8@xtra.co.nz](mailto:pmurray8@xtra.co.nz) 0272246000

### **Senior Interclub**

This year we have 4 mens teams and 2 mixed teams, and there's been a lot of lively Saturday afternoons down at the clubrooms. The Men's open 3 team are looking good for the pennant.. Feel free to come down and cheer our gladiators along while you sip a chardonnay, down a beer, or try one of our amazing toasties.

### **Sponsorship**

Anyone with contacts, bright ideas (any ideas?), or large tax-deductible donations lying around, please get in contact with our 'El Presidente' Ray Ballie. [ray-b@slingshot.co.nz](mailto:ray-b@slingshot.co.nz)  
Get exposure and help out your local club.

### **Social tennis Wednesdays 7pm, and Sundays at 2pm**

Come on down and join in! We've had some great turnouts this summer with lots of new faces. Make the most of it while it lasts!  
And of course, you deserve a treat at our well stocked bar after your hard work.

### **Grumps**

Cleaning up after various interclubs and social events has been a little sloppy. Leave it how you would like to find it (as long as that's clean).

People are lending keys to non-members. This is a no-no. Please encourage them to look at joining our friendly club. There are costs involved in running a tennis club..

**Free coaching!!** Our club and resident coaches have been offering senior members a **free coaching night** on Thursday nights at 7pm. We have had positive feedback from new and perennial members. There are some very helpful pointers, and it will be a lot of instructive fun for people of all different levels. All senior members welcome.

### **Club Rules: Available at club.**

Honesty box, \$5- **each** for visitors, plus \$3 **each** if using the lights. After 3 visits, visitors would be expected to join the club.

**COACHING:** Get a few mates together, share the hourly rate, and enjoy the coaching of our resident coaches;

Josh Constatine 021 865 539

David Branks 0274 066 298

See you soon,

Cheers,
